

Curriculum Vitae

Martin Hinner

Personal details

Date of Birth: March 25, 1981, Prague, Czech Republic
Contact: SECONS s.r.o., Kaprova 13, Prague 1, CZ110 00, Czech Republic
Phone: (+420) 222 743 723
Fax: (+420) 222 32 66 77
E-mail: hinner@secons.com, martin@hinner.info
Marital status: single
Sex: male
Nationality: Czech

Education

2001 – 2007 B.Sc., **Czech Technical University**, Prague, CZ
Faculty of Electrical Engineering

Work experience

1995 – 2000 **TDP s.r.o.**
Software development company
Analyst, developer
Systems used: Novell NetWare, IBM OS/2, IBM AIX, MS-DOS, Linux, Windows NT

2000 – present **SECONS s.r.o.**
Software development company
Company founder and owner, CEO, developer
Systems used: Linux, FreeBSD, OpenBSD, SCO UnixWare, Windows NT/2k/XP, Novell NetWare, Embedded systems, Cisco IOS, ...
Customers: International, Czech companies and Czech government institutions

2007 – present **ORPIDO s.r.o.**
Film services and production
President, angel investor

Selected Awards

1997 First Prize, County programming contest (DDM Praha), Prague, CZ
1999 Special award, AMAVET, Prague, CZ
2000 First Prize, SOC 2000, Roznov p.Radhostem, CZ
2000 Expo Sciences Européenne 2000, Charleroi, Belgium
2000 Second Prize, AMAVET, Prague, CZ
2001 Intel ISEF, San Jose, CA, USA

Publications

O Guia Prático do Linux, ch. 7, Centro Atlântico, Lda, Portugal, 2002, ISBN: 972-8426-34-8

Papers in journals

Is Internet secure?, PC World, 11/1997, IDG Czechoslovakia. ISSN 1210-1079
Communication on six wheels, DATA COMMUNICATIONS, 1999
History of Unix, Softwarové Noviny, 4/2001, ISSN 1210-8472

Computer skills

- Hardware design (mostly Eagle CAD, “modern” 32bit systems like ARM7, ...)
- Low-level (kernel-level) development (Linux & FreeBSD development and RTOS design)
- Programming languages: Assembler (ARM,MIPS,x86), C/C++, Postscript, partially Java/PHP/Perl/...
- Networking (firewalls, intrusion detection, etc), LAN and WAN administration, computer security
- Automotive diagnostics, industrial networks (CAN-BUS,etc.)

Selected Open-Source Software projects

Linux OS Various kernel-level drivers and patches (BFS driver, NT and OS/2 Volumes driver, DoS firewall), various network services, user applications, libraries, ...

Linux HOWTOs Filesystems HOWTO, NetWare development HOWTO, ARM Embedded development HOWTO

Low-level embedded ARM development toolchain for Linux, various mods to embedded devices,...

Non-Unix projects Boot manager, PC IDE diagnostic tool

Language skills

Czech - native, English – active/advanced level, German – passive

Other skills

Ability to work in team, under pressure, communication with other people, independent and responsible
Driving license (B class)

Interests

Mathematics, Economics, Classical music
